Boy's Fingers Are Cut Off By Lawn Mower.

While playing with a new lawn mower on the west lawn of the court house, Jack Gott, six-year-old son of Jailer S. B. Gott, suffered the loss of two fingers on his right hand yesterday. The keen blade of the mower severed the first two fingers, near the knuckle joint. An operation was performed and the lad is resting well.

Several children were playing on the lawn and it is thought a younger tot pushed the mower while the boy had his fingers near its blades. Paducah Sun.

Dynamite Is Stolen.

Hun Plot Feared

Princeton, Ky., June 14.—A hundred pounds of dynamite was stolen from the Katterjohn Construction company here last night and much uneasiness has been caused as it is feared the theft was committed by German sympathizers. Troop trains are due through here and a close guard is being kept on bridges and trucks.

DUEL ENDS LIFE OF PROVIDENCE POLICE

Miner And Chief Engage in Gun Fight Miner's Jaw Broken And Thumb Amputated

Henderson, Ky., June 14.—W. H. Fox, age 36, chief of police at Providence, Ky., was killed, and Jim Wynn, age 42, coal miner of the same place, was shot through the jaw and right thumb in a pistol duel at 8 o'clock last night five miles out on the Corydon road, while Fox, Wynn, Lee Deavers and Jim Castell were returning to Providence from this city in an automobile.

Fox received three wounds, one in the lower part of the neck, one over the heart and one which broke his left leg between the knee and ankle.

Lee Deavers, an eye-witness, stated that while going home Fox said something about running over a woman, and Wynn said they had not run over a woman. They began a heated argument and Fox told Castell, who was driving the car, to stop, as he wanted to get out. Castell did stop and Fox jumped from the car and began shooting at Wynn with a 45 caliber automatic revolver, according to Deavers.

Deavers said he jumped from the rear seat, which he was occupying with Wynn, when he saw Fox pull his revolver, and that the first shot struck Wynn in the jaw. Wynn then drew his revolver and exhausted it at Fox, who fell dead in the road. Deavers said Fox fired several shots, one severing Wynn's right thumb.

Leaving Fox lying in the road, Deavers said they drove rapidly to Corydon, two miles distant, to take a physician back to Fox and have Wynn's wounds dressed. Wynn and Deavers were arrested by Deputy Sheriff Charles Posey while in the doctor's office.

Fox's body was removed to an undertaking establishment here, where an inquest will be held today.

Wynn and Deavers were brought to the city and Wynn admitted to the city hospital for an operation. Broken bones of the jaw were removed and his thumb was amputated.

Wynn, who was weak from the loss of blood, stated that Fox began shooting at him before he could draw his pistol and had wounded him in the jaw before he fired at him. Before going on the operating table, he asked if Fox was dead, and was told that he was not. He said "My God, I hope he is not. We are the best of friends and I had to shoot him to keep him from killing me."

Coroner Jack Hudson examined the body of Fox last night and stated that he was shot with different pistols, as one of the holes was 32-caliber and the other 38 or larger.

Both were married, Fox being survived by his widow and two children. Wynn has a wife and one small child.

NATIONAL WAR SAVINGS STAMP DAY FRIDAY, JUNE 28.

Will your dollars help Crittenden county to go "over the top?" An idle dollar is a "slacker" dollar. Don't have any SLACKER dollars!

A country that is good enough for the best manhood of our land to fight and die for is good enough for YOU to save for. Make up your mind now as to how much you will invest on June 28.

Uncle Sam wants to raise \$2,000,000 by Jan. 1, 1919. He pays you interest at 4 1-2 per cent, compounded quarterly, a higher rate of interest than any bank in America would pay you—an investment as safe as the nation.

Invest \$4.17 on June 28, 1918, and draw \$5.00 on Jan. 1, 1923. Invest \$83.40 on June 28, 1918, and draw \$100.00 on Jan. 1, 1923. Can you think of a better investment?

Every man in the county will be asked to buy on or before June 28. You will be expected to invest every dollar you can. When a man asks you to buy War Savings Stamps DON'T REFUSE this chance to help the boys "over there."

Your dollars will help America to win. Tell your friends that June 28 is the day on which every man, woman and child in Crittenden county will be expected to buy War Savings Stamps. Ask your postmaster or any rural carrier. BUY NOW.

MAYOR'S PROCLAMATION.

To the Citizens of Marion:

Friday, June 28th, 1918, is officially designated NATIONAL WAR SAVINGS DAY by the President of the United States and the Secretary of the Treasury. All loyal citizens of this community will accordingly devote the afternoon of said day, beginning at two o'clock, to attending the public meeting of your neighborhood and to subscribing for a specified amount of War Saving Stamps, to be purchased during the remaining months of the year.

All who are able should pledge themselves to save and invest to the limit allowed by law, and should promote the sale of this valuable Government security in large amounts during Pledge Week in Kentucky, June 24 to June 28 next.

J. FRANK DODGE, Mayor.

Corydon, Jim Castell, driver of the car, drove away and was not captured last night. Officers are looking for him to appear as a witness before the coroner's inquest.

Ministers And Members Meeting

The ministers and members meeting of the Ohio River association will meet with 1st. Salem Baptist Church June 28-29-30.

The introductory sermon will be preached by Eld. T. A. Conway of Smithland. The Salem people will gladly entertain all who come.

Largest Tomato Crop

D. W. Stone of Fruitland farm has out the largest crop of tomatoes ever grown by one individual in this county. He has contracted 1000 cases tomatoes to the Government for the army 1918. This is enough tomatoes feeding a man to a man per day to feed one man 65 years, 50 men one year and 4 months, 100 men from Jan 1st to August 28th. He shipped tomatoes, this year to Camp Taylor enough to feed one man 15 years, 19 men 1 year and

6 months. This is accomplished by the aid of the National Council of Defense composed of Dr. Frazier, Dr. Orme, Dick Cruce and J. Robert Bird.

Bitten On The Toe

By A Copperhead

Guthrie Gibson had the misfortune to be bitten on one of his toes, one day last week by a copperhead snake. He called his physician and had the wound treated immediately but his foot and leg were badly swollen from the effects of the bite and he is laid up unable to do any work, but Dr. Perry is treating him and thinks if no complications arise he will soon be well and able to resume his work.

A Little Patriot

Last year when Charles Reed was confined to his bed, the editor sent him a little token of remembrance in the shape of an all wool bunting flag in fast colors which some friends of the little sufferer offered to put on a pole for him. He accepted their proffered kindness and directed them to put up the pole so he could see the stars and stripes from his window when lying in bed and this was done. The pole having become unsafe it was taken down recently and he is now preparing to put another up that Old Glory may float again at the Reed Homestead.

FAILURE TO AID U. S. IN WAR

Henderson School Teacher Refuses Gifts For Any Campaigns—Is Christadelphian

Henderson, Ky., June 15.—For her refusal to contribute to war activities, Miss Beulah Green, a teacher in the public school of Henderson county and a member of a religious sect known as Christadelphians, was refused a re-appointment as teacher by the county board of education Saturday.

Miss Green declared she had conscientious religious scruples against war in any form. She flatly refused to donate to the American Red Cross, buy thrift stamps or subscribe to any of the war activities, stating that her religious principles forbade her from aiding her country in its war program.

During her five years as a teacher in the county schools Miss Green made a splendid record as a teacher.

Christadelphians are known as a religious sect. They are also called Thomasites and were founded in the United States in 1850 by John Thomas, a physician. The words composing the name are taken from the Greek and mean Brothers of Christ. The members of the sect reject the Trinity and the natural immortality of the soul, believing that the righteous only receive eternal life. They believe also in the proximate personal coming of Christ and lay stress upon the cleansing influence of the Holy Spirit and the divine word of God. The sect practices baptism by immersion and has no ordained ministers. Believing in the absolute brotherhood of man, its members are opposed to war in any form.

Patriotic Clay Minister

Was Not to Be Denied.

Rev. H. P. Henry, pastor of the Clay Methodist church, addressed the following letter to the Providence Enterprise:

"Seeing that you have published the fact that I tried and failed to get into the Marines on account of defective vision, will you please publish the following facts:

"These are the facts as they stand: Having failed to get into the Marines and Navy on account of my vision, and still feeling it my duty and having an intense desire to go if there was a chance, I waived my claim for exemption and asked to be changed from Class Five to Class One. I was then examined and passed the examination and am in the next call for service.

"I should not have written you this but the former facts in the case did not look real good in the papers, so I am asking you to make this correction.

"Thanking you, I am
Yours very truly,
V. P. Henry."

REDPATH 7 DAY CHAUTAUQUA

Opens Here Tuesday, June 25th, With Greatest Program Ever: Wonderful Attractions.

The Marion Redpath Seven Day Chautauqua will open here next Tuesday afternoon June 25th, at 3:30 p. m., on the Cort Pierce lot on Ford's Ferry St.

Not in all the time that the Redpath Chautauqua has been coming to Marion has the program offered been so well rounded nor have the individual attractions ever been better. With such attractions as "The Chocolate Soldier," Sir John Foster Fraser, Margery Maxwell and Dunbar's Revue as only a few of 15 big numbers, the week should prove to be most inspiring and entertaining.

The native Croation Tamburica Orchestra is the offering for Tuesday afternoon. In native costumes the Croations will give a grand concert, playing upon tamburicas. The tamburica is the peculiar musical instrument of Croatia. It has been known to the people of the western world only a comparatively short time.

Lou J. Beauchamp, known everywhere as "The Humorous Philosopher," is the attraction at night. Mr. Beauchamp is one of the great entertainers and lecturers of the American platform.

Much interest is being shown here concerning the coming of Capt. George Frederick Campbell, "The Soldier of the Sky," who in two years' flying on the western front brought down 18 Hun aeroplanes. He will tell his thrilling story on the Sixth night of the Chautauqua.

The afternoon entertainments will begin this year at 3:30 p. m. Night sessions will start at 8:30 p. m. The time of the children's hour will be announced from the platform on the opening day.

A government war tax will be collected on all Chautauqua season tickets this year. The tax must be paid once and for all before the ticket is used for the first time.

In order to avoid delays at the gate and standing in the sun on the opening afternoon arrangements have been made so that the tax can be paid to the Chautauqua 9 day advance man who will be here until the opening day, Tuesday noon, then the tax can be paid at the tent.

The tax is 25 cents on adult season tickets and 13 cents on children's season tickets. This tax is collected for the government and in no way benefits either the Redpath management or the local Chautauqua committee.

The local Chautauqua committee met last Monday night and arrangements were made to place the season tickets at T. H. Cochran & Company's store, phone 81. Miss Ethel Hard will be in charge, the War Tax can be paid there.

All friends and boosters of the Chautauqua are requested to buy season tickets from the committee on or before the opening day as it helps the local committee with the guarantee.

Tickets will be on sale at Haynes & Taylor's drug store.

Anna Lou Finley has gone to Louisville on a vacation and will be absent several days.

Scene From the Great Light Opera, "The Chocolate Soldier," Coming Here Chautauqua Week

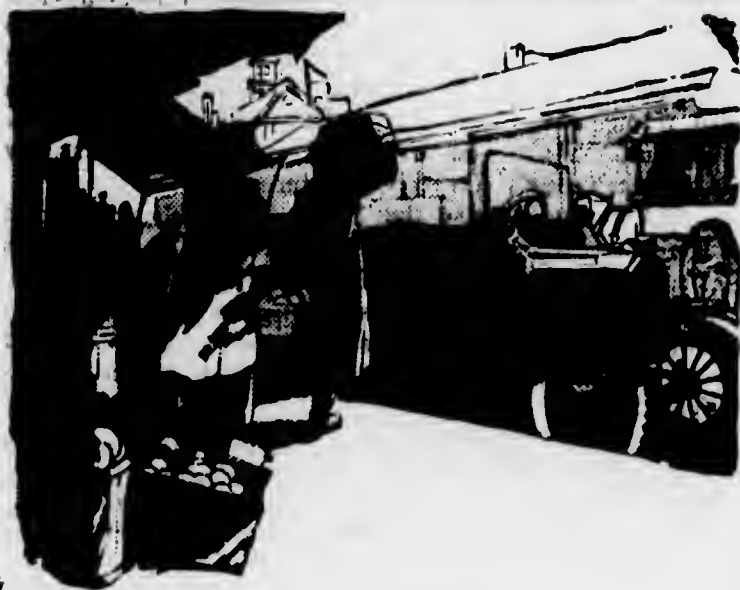

"The Chocolate Soldier," Oscar Strauss' great light opera, will be presented by a company of 80, including orchestra, on the fifth night of the Redpath Chautauqua here this season. So great was the success of "The Mikado" last season that the Redpath management decided to present a light opera again this year, and in choosing "The Chocolate Soldier" selected an opera which holds a remarkable record for long metropolitan runs. For three years "The Chocolate Soldier" ran at the Casino Theatre in New York, and in the Redpath production this year are a number of members of the

original Casino company. In the company also are Miss Jeanette Studley, who appeared in "Robin Hood" with the De Koven company, and Miss Nelle Fleming, who will be remembered as having taken the part of Pittu-Bing in last season's Redpath production of "The Mikado."

The stage and lighting effects of "The Chocolate Soldier" will be a revelation as to what can be done in this direction on the Chautauqua platform. The scene is laid in wartime in Bulgaria. Love, patriotism and comedy all figure in this great opera.

The entire production is presented under the personal supervision of Mr. Ralph Dunbar, who gave the Chautauqua audiences "The Mikado" last season and the White Hussars and Cathedral Choir the preceding years. Mr. Dunbar is thoroughly in sympathy with the ideals and principles of the Chautauqua movement as is no other producer of the day and in placing this production in his hands the Redpath management did so with perfect confidence that the results would be in complete harmony with the desires and tastes of the patrons.

SANE ECONOMICS IN THE HOUSEHOLD

Mrs. Christine Frederick Will Discuss Topic at Chautauqua Here.

HINTS ON HOW TO SAVE

Noted Expert Nationally Known Through Her Newspaper and Magazine Articles Will Give Results of "Appreciation" Experiments.

Mrs. Christine Frederick with whom almost every housewife in America is familiar through her books on home economics and her articles in that subject which appear in the metropolitan daily papers, the "Forum," "The Ladies Home Journal," will be heard on the subject of household economy at the Redpath Chautauqua here.

MRS. CHRISTINE FREDERICK, efficiency kitchen expert, station at Applecroft, her long hair and face. Mrs. Frederick is so authority on the subjects of efficient housekeeping, household purchases and women's influence in civic improvement. She was the only woman representative of consumers asked to appear before the congressional committee on anti-trust legislation. Her lecture on household efficiency fits wonderfully into the work of helping to win the war. Efficiency in the home means food and time saved, food for our allies and our needed overseas, time for Red Cross and other similar work here. Incidentally household efficiency means a cut in the cost of living.

ONEY FRED SWEET.

Oney Fred Sweet, Chicago newspaper man, who in three years held 125 jobs and wrote about them a series of supremely interesting newspaper articles, has been secured to tell the story of his varied industrial career on the Redpath Chautauqua platform here this season.

Here is a man who can tell how it feels to be "In the Other Fellow's Shoes," which is the title of his lecture.

Mr. Sweet's story, besides being interesting and full of humor, has a distinct economic value. It throws a vast amount of light upon industrial conditions as they actually exist. It is human and informative.

In his job-hopping career Mr. Sweet, among other occupations, was a leg-car on the streets, a sheep-jack, a fireman on the railroad, a Pullman porter, a clown with a circus, a cowboy, a lumberjack. He tells the story of these and many other jobs in his interesting Chautauqua lecture.

NOTICE TO CONTRACTORS.

Having a school house to build at Coopersville, The Crittenden County Board of Education, will receive sealed bids from any one who desires to erect this house, at 2 o'clock on Monday, June 10, 1918. Fifty thousand voices. What a grand chorus! And that's the number of American men and women, who are publicly praising Doan's Kidney Pills for relief from backache, kidney and bladder ills. They say it to friends. They tell it in the home papers. Marion people are in the chorus.

very strength away. My back ached and pained constantly and I was lame, especially mornings. The least exertion tired me and when I overdid I had headaches and dizzy spells. I was very nervous and the kidney secretions passed too frequently, making me get up at night. I got a box of Doan's Kidney Pills at Haynes & Taylor's drug store. They helped me from the first and I continued taking them until entirely cured."

"A SOLDIER OF THE SKY"

Captain George Frederick Campbell of the Royal Flying Corps Has Brought Down Eighteen Hun Airplanes—Lost His Entire Family in the War.

Father, mother, sister and three brothers the victims of the Hun; sixty bullets in the air; eighteen hostile airplanes brought down; a silver plate in his hip where it was shattered by a German bayonet; a bullet through his lung while flying 10,000 feet above Beaumont Hamel in November, 1917, ending his fighting career, tells briefly the tragic and heroic three years that Captain George Frederick Campbell, of the Royal Flying Corps, has lived. Captain Campbell is to speak on the sixth night of the Chautauqua.

Campbell's father was the first of his family to fall, being killed in the memorable battle of Mons. At the battle of Loos his brothers, Bruce and Jamie Campbell, both lieutenants, fell with their faces to the foe, and in a trench raid not long after, his remaining brother, Captain Blake Campbell, was killed.

An invalid mother and a living sister remained to mourn in the old ancestral home in the Milt of Kintyre back in Bonnie Scotland. Then his sister, bent on an errand of mercy, embarked on the ill-fated Arabic, and was counted among the lost when the vessel was sunk by a German torpedo. This final crushing blow killed the mother. Campbell, then a lieutenant of the Highlanders, was left alone.

Campbell was already a soldier of the king when the war broke out in 1914. A lieutenant stationed in India, he was ordered at once to the European front. In a few weeks he was fighting in stem the Hun advance on Paris.

At the battle of Neuve Chapelle in 1915, Captain Campbell was severely wounded, his hip bone being shattered by a bayonet thrust through the abdomen. Several months in a hospital followed. On his recovery he was declared unfit for further duty with his regiment. He then sought and found further service in the Royal Flying Corps. For two years, until again severely wounded, he fought the Hun in the air.

Probably no man alive has seen more fighting on the ground and in the air than Captain Campbell.

Captain Campbell, in his lecture, "A Soldier of the Sky," will tell of his flying fights on the western front, most of which he has written in his book of the same title that was recently published.

"Never refuse a fight," said Captain Campbell recently, "is the motto of the Royal Flying Corps. We learned that lesson early in the war, as the Hun is far inferior to our flying men in morale."

When he left active service Captain Campbell was fourth "ace" in the Royal Flying Corps. He worked in the single-seated scout type of machine, in which the pilot operated both the gun and machine.

Captain Campbell also took part in many bombing raids, the longest being an attack on the railway station and three supply trains at Seclin on the Belgian frontier. The station and tracks were demolished and troop and supply movements held up several days.

Was Principal With Galli-Curci in "Dinorah."

SINGS AT CHAUTAUQUA HERE

As Member of Chicago Grand Opera Company Scored Successes in Chicago, New York and Boston.

An evening with a grand opera star that has twice before proven a great attraction on the Redpath Chautauqua circuit, and now after one season without a prima donna, this year's program is to have a grand opera star in Miss Margery Maxwell, the gifted young soprano who appeared this year as a principal with Galli-Curci in the Chicago Grand Opera company in Chicago, and who accompanied that organization on its tour to New York and Boston.

Miss Maxwell will appear on the third night of the Chautauqua here, accompanied by two assisting artists, a violinist and a pianist.

Miss Maxwell made her debut with the Chicago Opera company this fall as Una Capra, in "Dinorah." This first appearance was a decided success and especially noteworthy as she was

one of the six principals with Amelita Galli-Curci and Giacomo Rimini in the cast. The following day in all Chicago papers the critics commended her work most highly.

During the Chicago opera season Miss Maxwell sang in "Dinorah" several times and also in "Mignon," "The Jewels of the Madonna," "Lakme," "Francesca di Rimini" and "Louise," each time delighting the audience with the unusual beauty and range of her lyric soprano voice.

Miss Galli-Curci is most enthusiastic in her praise of "the American Miss Maxwell's superb voice."

At the close of the Chicago season, no one was surprised to find Miss Maxwell among those chosen for the Eastern tour of the Chicago Grand Opera company. The recognition given her in the East was no less than she received in her home city. The New York Morning Telegraph used a large picture of her with an interesting feature story the morning after her first appearance, and the Evening Mail, in a Saturday edition, published her photograph in a group with Geraldine Farrar, Ricardo Stracciari and Gordon Key.

Miss Maxwell is a pleasing, wholesome American girl. All her spare minutes she spends in knitting and at present she says one of her great ambitions is to go to France and sing for the wounded soldiers.

Seven Cheer-Up Days

QUICK to sense the public needs in a year when so many people are planning to take their vacations at home, the Redpath has arranged Seven Cheer-Up Vacation Days for each city on its circuit this season, and offers this Seven Day program for the same price as heretofore, \$2.50, except for 10% War Tax.

You thought when the war broke out that the time to be entertained and inspired had passed; that seriousness and anxious thought must inevitably hold sway.

Miles of Smiles

WHEN the boys began to go to the front this attitude changed. You did not want them to go away in gloom nor to remember your face as one of sadness. In fact, you sent them Smiles Books and invited them to enjoy "Miles of Smiles."

Then you discovered that you could not do your best work in an atmosphere of gloom and suspense and finally concluded that you too need relaxation, entertainment and inspiration if you are to perform your greatest patriotic duties and "Keep the Home Fires Burning."

Keep Up Home Morale

BECAUSE of this, more emphasis has been given to bright, cheery music, gorgeous costumes and scenery, fun and inspiration than ever before.

The Redpath Chautauqua offers you Seven Days of wholesome fun, genuine inspiration, courage, reassurance, just the thing to keep up the Home Morale.

A Patriotic Institution

NOT only this, but the Redpath Chautauqua comes to you as a highly patriotic institution which has helped raise the Liberty Loan, entertained the boys in the cantonments and educated the American people in the principles of Democracy in such a measure that President Wilson has declared the Chautauqua "An integral part of our National Defense."

A War-Time Economy

THE lectures this year will be greater, more timely, more enlightening than ever before, the kind that inspire men to heroism and great deeds.

Therefore, all in all, the Redpath Chautauqua comes to your city to help brighten your life, and serve your community and your country and as a real war-time economy. You cannot afford to miss these Seven Big Cheer-Up Days. Tickets now on sale.

Sun's Daily Thought.

O folds of white and scarlet!
O blue field with your silver
stars! May fond eyes welcome
you, willing feet follow you,
strong hearts cherish you, and
dying lips give you their bless-
ing! Ours by inheritance, ours
by allegiance, ours by affection
—long may you float out free
winds of heaven, the emblem of
liberty, the hope of the world.
—Anon.

The President of the United
States and the Secretary of the
Treasury have designated Friday,
June 28th next as National War
Savings Day and it will be gen-
erally observed throughout the
country. Here in Marion the pe-
riod from June 24th to 28th will
be Pledge Week, in which the
people will pledge themselves to
buy during the rest of 1918 the
quota of war Saving Stamps al-
lotted to this City.

He who would be strong in
faith let him first be strong in
good works. He who bends his
knees in productive toil during
that extra hour of daylight has
earned the right to bend his knees
at bedtime in supplication to his
God to "Give us this day our
daily bread."

Work Or Fight

The following editorial appear-
ed last week in the Paducah Sun
and it suits the case here and
everywhere:

"The city and county officials
are going to enforce to the hilt,
the new Kentucky Vagrancy
Law, beginning with next Mon-
day.

From that time on any man
who cannot show 36 hours good
work in every week will stand
convicted of vagrancy. Any-
thing less than that will not do.

Age and station cut no figure,
so long as a man is able bodied.

The man who has an independ-
ent income can't sit around
whittling sticks any more than
the pool room bum. Both are
ordered to work. Both must
seek employment that is useful
and productive or get a job with
Uncle Sam killing Huns.

That is a matter of choice, but
one or the other must be done.
This nation needs every ounce
of its man-power. It's high
time the useleses were run down
and put to work or put into the
trenches.

Today, women are bending
their backs in the fields, and
bowing behind the plow. Who
is going to longer tolerate idlen-
ness on the part of men?

Not Paducah.

Not McCracken county.
You loafers get a gun or go to
work. Either that or wake up
some morning to a new sunny
job repairing the public high-
ways.
Get busy.

Fell Into Well.

Aranella Postleweight, the two
year old daughter of Mr. and
Mrs. Allie Postleweight had a
miraculous escape from death
last week when she fell in a dry
cistern, head foremost. Her father
was in the cistern where he
kept jugs of water and milk as
it was a cool place and as her
mother was ill and in bed the
little tot walked into the uncover-
ed cistern in search of her daddy.
Fortunately he grabbed her dress
as she fell, thus breaking her
fall, otherwise she would have
been killed instantly. As it was
she received only a cut on her
cheek which is healing nicely
and no further trouble is feared.

Reasons!

Why you should use
Cardui, the woman's
tonic, for your troubles,
have been shown in
thousands of letters from
actual users of this medi-
cine, who speak from
personal experience. If
the results obtained by
other women for so many
years have been so uni-
formly good, why not
give Cardui a trial?

CARDUI

The Woman's Tonic

Mrs. Mary J. Irvin, of
Cullen, Va., writes:
"About 11 years ago, I
suffered untold misery
with female trouble, bear-
ing-down pains, head-
ache, numbness... I
would go for three weeks
almost bent double...
My husband went to Dr.
for Cardui...
After taking about two
bottles I began going
around and when I took
three bottles I could do
all my work." E-30

DROWNED NEAR TOLU

Donnie Bebout aged twelve
years son of Everett Bebout of
the Colon section was drowned
Saturday afternoon about 3
o'clock off the bar at Tolu,
where he was visiting. He and
his parents went to Tolu Satur-
day and were guests of Harry
Stone and family. Several boys
went to hunt turtle eggs on the
bar and asked young Bebout to
accompany them which he did
after gaining his father's con-
sent. They had not been gone
long before the news came back
that he had stepped into a hole
and drowned, while he and one
of the other boys were in swim-
ming. The remains were soon
recovered and were brought to
Chapel Hill Sunday for inter-
ment beside those of his mother
who died several years ago. She
was Miss Tinnie Daniel a daugh-
ter of Francis Daniel.

Mr. Bebout and his family
have the sympathy of all in the
loss of this fine boy just ap-
proaching manhood.

Judge Blue Appointed

Judge John W. Blue was ap-
pointed some time ago by the
War Department at Washington
D. C. as legal committee for all
drafted men in Crittenden Coun-
ty. It is his duty and pleasure
as such to draw contracts, write
wills, powers of attorney, or give
any other legal advice that draft-
ed men may want in the arrang-
ment of their affairs before they
go to fight for the liberty and
freedom of the world. This ser-
vice and advice will be given
without cost. Judge Blue is a
man of splendid legal attain-
ments and each registrant in our
county should avail themselves
of his advice.

Letter From France.

Some where in France.
Co. C. 6th, U. S. Inf.
American Expeditionary Forces.
Mrs. Martha Franks,
Marion, Ky.

Dear mother:

This afternoon I
will try to write you a few lines
to let you know I have not for-
gotten you, though I am far, far
away from my old Kentucky
home.

I am well and enjoying life and
hope you are the same. I have
had a real pleasant voyage. It
has been interesting all the way.
I am in good spirits and mean to
be as long as there is any life in
me.

It seems hard to us all now
but I feel like we will come out
all right yet. I am trusting in
the Lord for my part of it and
am worrying very little. Not
half so much as you are I am
sure. You must take it all as
easy as possible for you know it
is the Lord's will that I should
be away from you now and it
won't help any to worry. Just
pray to the Lord to preserve my
life and help me to return to you
some day.

I feel like the Lord is with me
now and I am trying to live
right so if I should be called to
my reward before I see you
again I can meet you in that
happy home above.

The boys are singing, "Just
Break the News to Mother." It
is a little sad as I am writing to
you but it is sweet to me because
the name, mother is in it.

I think of you dear sister and
those dear little boys ever day
and pray to God to protect me
and send me home to you all
some day and I feel like He will,
but if I should be numbered a-
mong the dead I want you to see
that Florence and those little
boys—bless their little hearts—
have every thing they need and
try to give them their part of
education.

There is so much rocking that
I can't write so you can read it.
Kiss the little boys for me and
tell all of my friends hello for
me and take good care of your
self and think as little about me
as you possible can.

May God bless and protect you
all.

Your boy,
J. E. Franks.

MEMPHIS DRUMMER TELLS TRUTH ON VIN HEPATICA

National Refining Co. Representa-
tive Says Nine Doctors Failed to
Give Him Relief--Takes Vin
Hepatica and says it's Won-
derful Medicine.

"I was so troubled with my
throat and stomach for a year
and a half that I had become
very much weakened," says Mr.
J. H. McCollum, traveling rep-
resentative for the Nation-
al Refining Co., 531 Walker Ave,
Memphis, Tenn.

"Could only walk a block or
two without having to sit down
to rest. Since taking Vin Hepa-
tica, I now walk two miles with
less effort. My appetite was no
good, but now it is fine. Vin
Hepatica even makes me hungry
an hour after I eat. Before tak-
ing Vin Hepatica my stomach
could not retain what I forced
on it. But now I eat anything
without any bad effects what-
ever.

"I tried nine of the best doc-
tors I could find without receiv-
ing any permanent benefits. I
was going down all the time,
but I have gained several pounds
since I started taking the Vin
Hepatica prescription. I cer-
tainly would not be without it
as long as I am improving as I
am."

Come in and get a bottle of
this truly wonderful natural medi-
cine on our recommendation.

Jim Alexander Proves

His Patriotism

Friends of J. T. Alexander
who formerly owned the tele-
phone exchange here, were
much interested in the following
notice which appeared in his
home paper, the Madisonville
Hustler says:

J. T. Alexander, president of
the Hopkins County Bank, his
son, J. T. Alexander, Jr., and
Will Thomas, colored who was
taken from the city lockup,
went to the farm owned by Theo.
and Lucien Coffman, near An-
ton, and did a hard day's work.
Mr. Alexander shocked wheat
until dinner. After dinner he
went on a binder and cut eight
acres of wheat. He declares he
enjoyed the experience. Edgar
Fox and Deputy Sheriff Ray-
mond Ramsey worked on Bob
Murphy's farm, in the Anton
County. They shocked a large
amount of wheat.

TO RESIST THE ATTACK

of the germs of many diseases such as
Grippe, Malaria,
measles for all of
us—right or dis-
ease. These germs are
everywhere in the
air we breathe.
The odds are in
favor of the
germs, if the liver is
inactive and the
blood impure.
What is needed most is an increase in
the germ-fighting strength. To do this
successfully you need to put on healthy
flesh, rouse the liver to vigorous action,
so it will throw off those germs, and puri-
fy the blood so that there will be no
"weak spots," or soil for germ growth.
We claim for Dr. Pierce's Golden
Medical Discovery that it does all this
in a way peculiar to itself.
It cures troubles caused by torpid liver
or impure blood.

WOODFORD, TENN.—"This is to certify
that I have used
Dr. Pierce's
Golden Medical
Discovery for my
two little boys.
One had night
sweats, poor ap-
petite, yellow, com-
plexion, and had
quit growing, but
after giving him, part of a bottle of
the "Discovery," he commenced to gain
flesh. He doesn't have the night
sweats and looks much better. My
other little boy had eczema and this
medicine cured him after the doctor's
medicine had failed. I do not hesitate
to recommend the "Discovery" at all
times."—MRS. ROSA LEE HODGINS,
Route 1.

Dr. Pierce's Pills are unequalled as a
Liver Purifier. One tiny sugar-coated Pill
Dose: One Pill, three times a day, after
breakfast, dinner, and supper. Indis-
gestion, Bilious Attacks, and Irriga-
tion of the Liver, Stomach and Bowels.

Attention Dog Owners.

The New Dog Law

The recent session of the 1918
Kentucky Legislature enacted in-
to law an act relating to dogs,
requiring them to be listed with
the assessor at the time of assess-
ing property as required by law,
providing for license and tags
for each and every dog to be
issued by the county clerk of the
various counties in Kentucky,
and for failure to list each dog,
as well as for any other violation
of the act, a penalty of not ex-
ceeding \$100 or imprisonment of
not exceeding three months, or
both, at the discretion of the
court is prescribed.

"The word 'owner' when ap-
plied to the proprietorship of a
dog, shall include every person
having a right of property in
such dog, and every person who
keeps or harbors such dog or has
it in his care, and every person
who permits such dog to remain
on or about any premises occu-
pied by him."

In order to achieve the results
intended by the passage of this
act, it will be necessary for a
rigid enforcement of this mea-
sure. Therefore, it behooves
every one to hat each and every
dog with the assessor.

Commissioner of Agriculture.

Mrs. Trice Bennett who has been ill for several weeks, was taken to Evansville Hospital Monday and was operated on Wednesday for tumor in her side. We understand the operation was a success.

Mrs. Noah Fox, of near Fairview, was in the city Friday enroute to Providence to attend the funeral of her son, Marshal W. H. Fox, who was killed near Henderson Thursday night. Madisonville Hustler.

Sergeant Robert Lee Elkins, of the 35th Co., 9th Battalion, 159th Depot Brigade, of Camp Zachary Taylor, who was a visitor in the county last week at the home of his parents, Mr. and Mrs. Albert Elkins, has returned to his post.

Rev. H. R. Short President of the Epworth Leagues of the Louisville Conference, Mrs. Short and their two children, Miss Clara Nunn and Miss Nellie Stone are attending the Epworth League Conference at Russellville this week.

Mrs. Trenary of Pennsylvania is the guest of her daughter, Mrs. Walter McConnell on North Main Street, during Mr. McConnell absence in Detroit with his brother Marion McConnell who is under treatment of a specialist, in a noted sanatorium there.

Ed Williamson the piano tuner of Henderson will be here next Monday June 24th to finish up all the work in his line. Those wishing any thing in his line will please leave orders with Mrs. Sowders.

Miss Pearl Waddell has returned from Bowling Green, where she attended the Western Ky. State Normal.

Beverly Towery who is now a practicing attorney at Springfield, Ill., came Saturday to look after the cutting of his hay crop on his Wier's Creek farm, near Providence. He has thirty acres of fine clover which he is assisting to harvest.—Providence Enterprise.

Rev. James F. Price will return from eastern Kentucky in time to fill his pulpit at the Main Street Presbyterian church next Sunday morning at 11 A. M. and in the evening at 8:30 P. M. The public are cordially invited to attend the services.

Henry Riley son of Mr. and Mrs. Frana Riley who returned from Missouri recently, and secured work at Mexico, was united in marriage Sunday, to Miss Bertha Hunt daughter of Hosea Hunt also of Mexico. They were married in Smithland where they went in an automobile.

Roy Travis son of A. H. Travis enlisted in the U. S. Navy at Louisville, Ky., Monday. The navy certainly scored a point in securing the services of this man. Roy is a number one pharmacist having had several years experience along this line and we predict for him a rapid rise in his particular branch.

MARRIAGES

The marriage of Miss Lee Purdy and Mr. Wm. Joseph Foster was solemnized Saturday evening, June 1st, at 7 o'clock in the Methodist church at Stanley, Ky. The ceremony was performed most impressively by Rev. L. P. Lampton.

Miss Nina J. Jett sang "All For You," and "I Love You Truly," after which the couple entered to the strains of the Bridal chorus from Lohengrin, rendered by Miss Margaret Jett. "Simple Aveu," was played softly during the ceremony and Mendelssohn's wedding march at the conclusion.

Messrs. Joe S. Vanada and Tanner W. Jett acted as ushers. Misses Alta Mae Purdy and Virginia Birk acted as flower girls. They wore dainty lingerie frocks with pink ribbons and carried baskets of pink roses.

The church was beautifully decorated in asparagus, pink roses and field daisies.

The bride was beautiful in white crepe-de-chine and filet lace with white picture hat and carried pink roses.

Mrs. Foster is the oldest daughter of Mr. and Mrs. Harry

E. Purdy and a woman of rare personal charm with a wide circle of friends. Mr. Foster is the son of Mr. and Mrs. Joseph Foster, of Owensboro, formerly of Marion, Ky., and is a prosperous young farmer of Stanley, having made many friends since coming to Daviess county.

Mr. and Mrs. Foster left on the 8 P. M. train for a short bridal tour and will be home after June 15th, at Stanley, Ky.

Miss Effie Bigham of Chapel Hill and Mr. Virgil Beard of Mexico section, were united in marriage Wednesday night June 12th, at 9 o'clock at Chapel Hill. Rev. A. J. Thompson officiating. They were attended by the bride's brother Lester Bigham, and the groom's sister Miss Eula Baird. The bride is the oldest daughter of Mr. and Mrs. E. H. Bigham and has many friends in the community in which she was reared. The groom is a sterling young farmer and stands well where he is known.

President Wilson on Dec. 14, 1917, wrote the President of the

"Your speakers, doing from community to community, meeting people in the friendly spirit engendered by years of individual understanding (which, have been effective messengers for the delivery and interpretation of the speaker's meanings and imperative needs. The fact that the Chautauque is doing has not lost importance because of war, but rather has gained new opportunities for service.

"Let me express the hope that you will let no discouragement weaken your activities, and that the people will not fall in the support of a patriotic institution that may be said to be an integral part of the national defense."

Vice-President Marshall says:

"There is no place where more good can be done in the government and to the cause than upon the Chaulucpa platform. The people who need information will be there, and, more and more as the years go by, persons who can get it are availing themselves of that avenue."

Secretary of War Baker says:

"I am constantly facing the splendid results of the work done by the Chautauquians in this country in creating and sustaining a sound patriotic public feeling, and in carrying forward the great national enterprises which the government is necessarily bringing to the attention of our people, and I want you to know that as an officer of the government I not only appreciate the importance of the lecture platform as a means of communication and expansion, but also appreciate the work which you and your associates are doing as a contribution to our National cause."

Notice To All Road Overseers.

The laws of this state required the magistrates of this county to elect a County Road Engineer, or designate some one to perform the duties thereof, and they elected E. Jeffrie Travis, Road Engineer, thereby taking all matters pertaining to working the roads, and repairing bridges out of the hands of the County Judge. Therefore all Overseers are advised to consult the Road Engineer, E. Jeffrie Travis, on all road matters.

Jailer Shelton Sets 'Em Up.

If Jailer J. C. Shelton feeds all persons who enter the jail to the kind of a dinner that he served Thursday, then he need not be surprised at the number of inmates increasing most any time. While fiscal court was in session Thursday, Jailer Shelton quietly slipped the word to them that dinner would be waiting for them at the county prison, while the members and other county officials were not accustomed to dining at such an institution, they accepted the invitation with pleasure and from the way they acted at the table and the expressions after they left, it is an assured fact that they had such a good time that they will wish

another invitation. — Mayfield Messenger.

Noted Expert on Household Economics Will Show Chautauqua Audiences How to Save

MRS. CHRISTINE FREDERICK IN HER EFFICIENCY KITCHEN AT APPLECROFT, LONG ISLAND.

"Women can help win the war by efficiency in the home," says Mrs. Christine Frederick, author and lecturer on household economy, who will be heard on the Redpath Chautauquas here this season. Mrs. Frederick, it is safe to say, is known to nearly all housewives through her articles on household efficiency in the metropolitan newspapers

and the Ladies' Home Journal. The Pathé-Freres moving picture firm has put her work before moving-picture audiences, and from women know her through her Farmers' Institute lectures and her writings in farm magazines. Close to one million copies of her publications—books, booklets, charts, correspondence courses, are in the hands of women.

Mrs. Frederick is a tall, slender, and enthusiastic speaker with a pleasant voice. She typifies in an attractive way the modern, young, college-trained housewife and mother, and knows how to entertain as well as to interest an audience. The above picture shows Mrs. Frederick in her efficiency kitchen at the Applecroft experimental station, Long Island.

BLACKFORD

(delayed from last week)
Since our last communication from this place a number of events have occurred, and doubtless some of them may be worth reporting.

The farmers, the foundation of all legitimate enterprises though somewhat pressed for lack of helpers are earnestly striving to finish their farm work the best they can under the existing circumstances.

During the last season, caused by the recent rains quite a number of tobacco plants have been transplanted and the prospects are favorable for a large crop of the Indian-wood.

The wheat and hay harvest is now in the near future and while the har-

vest may be great yet the laborers are few.

The gardeners and truck growers who are trying to surpass the ordinary way of gardening, during the period of time caused by the great war dilemma, are, in addition to cabbage, potatoes, onions, cucumbers, etc., planting squash, musk melon, broom-corn and ninety day corn and if they had ground enough to justify, would plant a patch of sorghum.

Relative to the existing World War which destroys not only men but property in an ever increasing ratio, makes tremendous demands upon the wealth of the country, overturns the established order of life, changes conditions social business, political and other wise causes more people to do things that they never dreamed of in all their

lives and almost forces them to conclude thus:

"That Washington never told a lie Of course is very true, But he went into politics When the country still was new."

Obituary

William Hardy Fox was born March 5, 1881. He was 37 years 3 months and 10 days old. "Bill" as he was familiarly called was the son of Noah and Evaline Fox and was the fifth child having 10 brothers and sisters. His father, one brother and two sisters have already preceded him to the world above.

He professed faith in Christ about 18 years ago but never united with any church.

He was married to Annie Todd and to this union was born two children, Verna Evelyn and Willie Kathrine.

The funeral was conducted by Rev. W. T. Oakley in the Baptist church at Shady Grove in the presence of a very large crowd. All the city council of Providence were present except two. Mr. Hunter, the mayor of the city with Mr. Morse and Mr. Canada paid beautiful tributes to the memory of Mr. Fox.

He was true to his convictions as an officer. He was chief of police at Providence.

The body was interred in the Shady Grove cemetery and the grave was covered with pretty flowers. A friend.

Card of Thanks.

Our neighbors and friends have our sincere gratitude and we thank them all for every kindness and expression of sympathy they gave during the illness of our wife and mother and the death and burial of the little infant. They will always be remembered by us in the tenderest love and we hope for the care and smiles of our Heavenly Father to rest upon each one of them always.

GET A BETTER JOB.

Perhaps you have felt, after trying in vain to find a better job, that if you could have just a little more evidence as to your ability, or talked with just a little more confidence, you would have "landed" the better job.

If you are not well trained, there will be a time in every one of your attempts to "land" a better job when you ALMOST make the "deal," when just a little more evidence that you can do the work is needed.

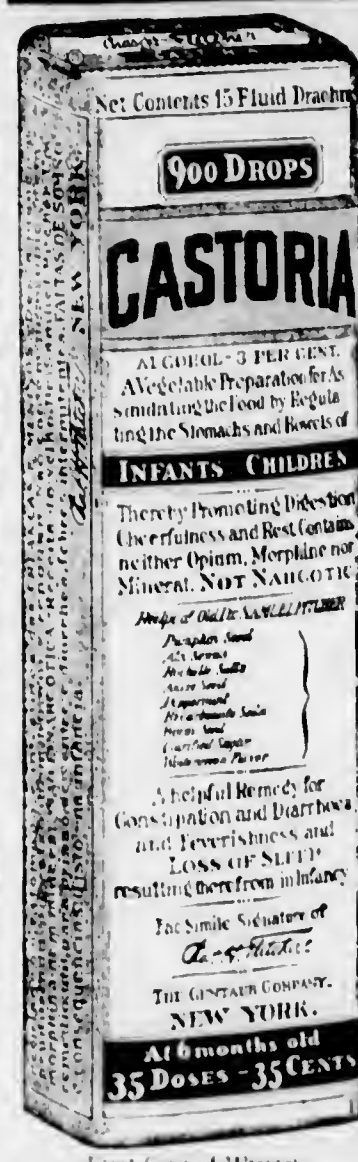

The Draughton Training, at college or by mail, will give you the confidence, enable you to furnish the evidence, and Draughton will land the JOB.

SAUERKRAUT

Food Administration Declares Name Is Dutch And Not German; Urges Wider Use.

The food administration comes to the rescue of sauerkraut. It is a pro-German dish, says the national food administration, alarmed at the propaganda of men and women, who in their patriotic zeal have been discouraging its use.

"No matter by what name it may be known, sauerkraut is a valuable food," said County Food Administrator Persons Friday.

"And its use should not be curtailed as a result of over-zealous and ill-advised patriotism."

On account of its supposedly German name, sauerkraut seems to be losing its popularity as an American dish in Evansville.

Many Evansville grocers sought to remove the odium by dubbing the dish "Liberty Cabbage." This did not make many more people eat it.

As a matter of fact the dish is said to be of Dutch rather than of German origin. In any event sauerkraut is a valuable food and adds to the variety in which cabbage may be prepared. Its wider use would no doubt, stimulate a greater use of cabbage and would further the food administration's campaign for increased consumption of perishable foodstuffs and a greater saving of the staple foods needed abroad.
